Subject: Telephone Call Concerning Falcon Refinery
Date: 02/28/2007 06:26 PM

Gloria, this e-mail is a follow-up to our conversation today concerning a call from (b) (6)

She informed me that her father, who lives in Turkey, wanted my or Gary Moore's e-mail address to provide us with information concerning the Falcon Refinery Site in Ingleside, Tx. She informed me that her father, (b) (6) was the owner of Uni Oil Company. According to EPA's records, Uni Oil was a previous owner of the Site, and we did issue Special Notice for the RI/FS that was returned "undeliverable." She also informed that her father claims he is the current owner of the Falcon Refinery and is selling it to a buyer from Dubai (United Arab Emirates).

I informed her that we signed an AOC with NORCO and are currently performing the RI/FS with NORCO.

I referred her to Richard Bergner, the attorney for the owner (Solfred Mazius) of NORCO.
